Who Is Covered By This Limited Warranty; Transferability

You are covered by this limited warranty if you live in the United States or Canada and are the original property owner (i.e., not a builder or installer) or the first subsequent owner if this warranty was properly transferred.

This limited warranty may be transferred **only once**. The second owner must notify GAF in writing within **one year** after the property transfer for warranty coverage to be transferred. (Other than this one transfer, this warranty may **not** be transferred or assigned, directly or indirectly.) If the transfer takes place within the first 20 years after installation, the second owner is entitled to the same coverage as the original owner. If the transfer takes place afterwards, the length of this warranty shall be reduced to the two-year period after the ownership changes. If there is a defect during this two-year period, GAF's reimbursement to the second owner will be based only on the reasonable cost of replacement GAF Products, reduced by the amount of use that has been received from the GAF Products from the date of installation through the date of claim.

Note: If this warranty is initially registered by a GAF Authorized™ Home Builder, the buyer of the home must notify GAF in writing within **60 days** of taking title to the property for coverage to be transferred. The home buyer will then be considered to be the original owner under this warranty.

Manufacturing Defects: What Is Covered/Sole And Exclusive Remedy

GAF Warranty Company, LLC, a subsidiary of GAF, warrants that your GAF Products will remain free from manufacturing defects that adversely affect their performance during the applicable warranty term listed above. **Note:** Wind Warranty and Algae Warranty are covered separately below.
